About the Book ~

In this startling new vision of Neverland, re-imagined for adults, Wendy intends to live happily ever after with Peter Pan. Mothering the Lost Boys, she struggles to keep them from the Island's hazards. But a subtler threat encroaches from an unexpected quarter... The children are growing up, and only Peter knows the punishment. Yet Captain Hook looms: insidious and seductive, Hook has his reasons for tempting Wendy to grow up. Revenge is only the first.
